

International WAGR Syndrome Association Gift (Donation) Acceptance Policy

Adopted October 17, 2010

1. The IWSA solicits and accepts gifts (donations) which are consistent with its mission and which support its core activities and programs, as well as special projects.
2. Donations and other forms of support will generally be accepted from individuals, partnerships, corporations, foundations, government agencies, or other entities, subject to approval by the Board of Directors.
3. Gifts of Real Property, Personal Property or Securities may only be accepted upon approval of the Board of Directors.
4. When there is the potential for controversy if certain gifts are accepted, the Board of Directors will consider the following factors:
 - Values: whether the acceptance of the gift compromises any of the core values of the International WAGR Syndrome Association
 - Compatibility: whether there is compatibility between the intent of the donor and the IWSA's use of the gift
 - Public Relationships: whether acceptance of the gift may damage the reputation of the IWSA
 - Primary Benefit: whether the primary benefit is to the IWSA, versus the donor

- Consistency: is acceptance of the gift consistent with prior practice?
- Form of Gift: is the gift offered in a form that the IWSA can use without incurring substantial expense or difficulty?
- Effect on Future Giving: will the gift encourage or discourage future gifts?

All decisions to solicit and/or accept potentially controversial gifts will be made by the Board of Directors of the IWSA. The primary consideration will be the impact of the gift on the organization.
